
.Mac agora com 10GB

Postado por christianlecuyer - 2007/08/07 22:51

Finalmente um bom upgrade no .Mac agora com 10Gb para assinantes

More online storage for .Mac members

August 07, 2007

Your .Mac membership now comes with a lot more storage, at no additional cost. Full .Mac members now get 10 GB of combined iDisk and email storage, which you can allocate as you wish.
